Quantum's chrome Wire Louvered Panels offer a perfect mounting solution for all plastic hanging and wire mesh hanging bins. Quantum's exclusive offering of wire panels, available in three sizes, completely resist any buildup of dust or dirt. Included direct mounting clips enable fastening to any surface (*wall, wood, concrete, drywall, etc.*) a snap (**note: mounting screws are not included as they differ based on what type of surface the panels are being mounted to**). Offset mounting clips are also available, can be used in place of **WLP-DMC** if you want to have wire panel mounted offset (*away*) from a wall surface making it easier to clean behind the panel (*sold separately*). Manufactured of heavy-duty chrome wire, Quantum's wire panels will offer years of dependable and heavy-duty service.
